Book File Details:

Review: Hilarious, profane, occasionally mind-boggling, and always brutally honest, Lonely Boy was clearly not ghost-written. I've always loved Steve as a personality as well as a guitarist... and this book explains why in no uncertain terms. This might be the most enjoyable rock autobio I've ever read - and I've read em all. Vive le Jonesy!...

Description: With a foreword by Chrissie Hynde In Lonely Boy, Steve Jones tells his story for the very first time, describing the sadness of never having known his real dad, the abuse suffered at the hands of his stepfather, and how his interest in music and fashion saved him from a potential life of crime. He takes readers through the recording of Anarchy in the...
